OPTIONAL WARM UP ROUND
PALOUSE RIDGE / THUR JUNE 10TH

Opening to rave National Reviews, Palouse Ridge hosted the 2009 Washington State Amateur. Golf Week, Travel & Leisure and Golf Week all rate Palouse Ridge as one of the best new public courses. Palouse Ridge is located in Pullman and naturally is the home of the WSU Cougars golf team. It does stand to reason that we will have a Cougars vs Huskies competition on this day. Banyon's Restaurant at Palouse Ridge is now open and their menu is posted on the golf course web site. Don't miss this chance to play Palouse Ridge during its second season. You can review the course and read the written reviews at palouseridge.com

FYM

Floating Handicap Skins Game

Floating Handicaps / Paid Players Eligible Only
\$20.00 Additional (covers all 3 days of play)
3 Divisions (Red/White/Blue)

In a skins game, on any given hole, if two players tie, all players are tied. You play (and pray) for that one great shot that gets you in the money. Every hole is a new game looking for one winner only (for that hole).

The Spokane Skins game gives every player an equal chance at cashing in on prize money via “floating handicaps.” The Spokane Skins Game opening day handicap is formatted via your last year’s Spokane handicap, your GHIN card, or via your average round of golf. On Friday, you play with your assigned or previously established handicap.

Saturday’s (new) handicap is based upon what you shot on Friday and your starting handicap. And, Sunday’s handicap is based upon your incoming handicap and what you shot on Friday and Saturday.

Those without GHIN cards, or a record of last year’s play, will be assigned a handicap based upon what that player is capable of shooting. Players without previous scorecards on record with the Scoreboard cannot have a handicap higher than 27 on the first day of play. Scoreboard Pub retains the right to “take down” cards from any player misrepresenting his/her level of play.

The total prize money collected will be divided by 3 (days) for daily pots in each division. The total number of skins will be divided into each day’s prize money for daily payoffs in each division.

FYI

Individual Daily GHIN Game

Low Net Side Game / 2 Divisions

USGA GHIN Card Holders or

9 Rounds with Scoreboard On File Eligible

\$15.00 Additional (covers all 3 days of play)

Pays 1st (60%), 2nd (25%), 3rd (15%) each day. Tiebreaker, if necessary, is low gross on handicap holes beginning with handicap hole #1, #2, #3, etc. No “floating handicap” here, just your (non floating) allowance daily. Divisions may be split by those with/without USGA registered handicaps provided we have a reasonable balance in divisions.

If you are playing in this side game, you must completely play out all holes. If you pick up without finishing a hole, you are a D.Q. for that day’s GHIN game. This guideline overrides Special Tournament Rule #2 for GHIN players only.

Record your gross score only, using your regular tournament scorecard. Our fabulous tournament staff will adjust your card following play.

KP’s (all players included)*

There is one KP marker FOR EACH DIVISION at each of the par 3’s. Measure your distance, and sign the card for your division of play ONLY if your tee shot is on the green, and ONLY if your tee shot is closer than the previous tee shot marked for YOUR DIVISION (divisions are indicated by the color of your scorecard: red, white or blue).

**Your individual score card will be the same color as the KP marker that you will write on (if you are inside the previous shot; therefore, if your scorecard is red, mark the red KP marker if you are closer than the previous shot, etc).*
